

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
AK	Matthew A. Lorenz	\$9,811	\$0	To purchase and install a solar renewable energy system.
AK	Naomi Young	\$5,260	\$0	To purchase and install a solar renewable energy system.
AK	Rivendell LLC	\$19,999	\$0	To make energy efficiency improvements to the lighting system.
AK	Thomas Donald McNamara	\$6,615	\$0	To purchase and install a solar renewable energy system.
AL	Barrow Furniture Inc.	\$13,245	\$0	To make energy efficiency improvements to the lighting system.
AL	Bolton Newspapers Inc.	\$12,737	\$0	To make energy efficiency improvements to the building.
AL	Bon Secour	\$9,250	\$0	To make energy efficiency improvements to the building.
AL	Brooks Farm	\$7,975	\$0	To purchase and install a solar renewable energy system.
AL	Central Alabama Wood Products LLC	\$12,391	\$0	To make energy efficiency improvements to the lighting system.
AL	Covenant Cattle Company LLC	\$17,700	\$0	To make energy efficiency improvements to the lighting system.
AL	Emily S. Penney	\$15,123	\$0	To make energy efficiency improvements to the poultry barn.
AL	Frisco City Supermarket	\$19,676	\$0	To make energy efficiency improvements to the lighting system.
AL	GOC Ltd.&	\$6,352	\$0	To make energy efficiency improvements to the lighting system.
AL	Greer Realty LLC	\$2,364	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
AL	Gumbo Properties LLC	\$5,198	\$0	To make energy efficiency improvements to the lighting system.
AL	Jamie E. Bradshaw	\$19,987	\$0	To purchase and install a biomass renewable energy system.
AL	Johnson's Flowers LLC	\$4,018	\$0	To make energy efficiency improvements to the lighting system.
AL	Knud Nielsen Company Inc. *&	\$14,785	\$0	To make energy efficiency improvements to the lighting system.
AL	Lana Ann Forehand dba Forehand Farms	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
AL	Melodie J. Brown	\$5,029	\$0	To make energy efficiency improvements to the building.
AL	Piggly Wiggly - Foley Inc.	\$19,979	\$0	To make energy efficiency improvements to the lighting system.
AL	Pompey & Pompey, PC *&	\$10,727	\$0	To make energy efficiency improvements to the lighting system.
AL	Raj Holdings LLC	\$4,533	\$0	To make energy efficiency improvements to the lighting system.
AL	Sales Ford Inc.	\$14,603	\$0	To make energy efficiency improvements to the building.
AL	Sales Ford Lincoln Inc. &	\$10,931	\$0	To make energy efficiency improvements to the building.
AR	Aaron K. Asencio	\$20,000	\$0	To make energy efficiency improvements to the poultry barn.
AR	Brantley Farming Co.	\$12,408	\$0	To make energy efficiency improvements by replacing a diesel motor with an electric motor.
AR	F & J Partnership*&	\$4,023	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
AR	Forrest City Shell*&	\$7,257	\$0	To make energy efficiency improvements to the lighting system.
AR	Lakeside Grocery *&	\$4,090	\$0	To make energy efficiency improvements to the lighting system.
AR	Loewer Oaks Farms Inc.	\$4,207	\$0	To make energy efficiency improvements to the lighting system.
AR	Mountain Lake Inc.*&	\$8,760	\$0	To make energy efficiency improvements to the lighting system.
AR	Wilson Brothers Lumber Company Inc.	\$2,000	\$0	To make energy efficiency improvements to the lighting system.
AZ	Angelo Petropolis, MD*	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
AZ	Arroyo Gardens LLC *	\$0	\$510,000	To purchase and install a solar renewable energy system.
AZ	Avalon Universal Enterprises*	\$19,999	\$0	To purchase and install a solar renewable energy system.
AZ	Aznex Cooperative Services*&	\$20,000	\$0	To purchase and install a solar renewable energy system.
AZ	Country Lane Holdings LLC*	\$13,489	\$0	To make energy efficiency improvements to the lighting system.
AZ	Green Valley Professional Center LLC*	\$0	\$105,000	To make energy efficiency improvements to the lighting system.
AZ	MT. Graham Family Medicine*	\$19,999	\$0	To purchase and install a solar renewable energy system.
AZ	Santa Rita Care Center LLC*	\$0	\$352,500	To purchase and install a solar renewable energy system.
AZ	Terry B. Gorton*	\$6,002	\$0	To purchase and install a solar renewable energy system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
CA	Allen Brothers Land Company LLC	\$7,029	\$0	To make energy efficiency improvements to the lighting system.
CA	David Apodaca dba Triple D Ranch	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
CA	Bumb's Farm LLC	\$20,000	\$0	To purchase and install a solar renewable energy system.
CA	Charles Sheppard Farms	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
CA	Daniel M. Carey	\$10,200	\$0	To purchase and install a solar renewable energy system.
CA	G3 Dairy	\$19,125	\$0	To make energy efficiency improvements to the lighting system.
CA	James L. Fleck	\$6,747	\$0	To purchase and install a solar renewable energy system.
CA	Jason Bertagna	\$20,000	\$0	To purchase and install a solar renewable energy system.
CA	Robert Ross, Jr.	\$6,187	\$0	To purchase and install a solar renewable energy system.
CA	Just Marvin Jr. dba Lock & Leave Self	\$17,450	\$0	To make energy efficiency improvements to the lighting system.
CA	Lohse Ranch	\$18,743	\$0	To make energy efficiency improvements to the lighting system.
CA	Mark Amoth	\$16,837	\$0	To purchase and install a solar renewable energy system.
CA	Original Sid Blackman Plumbing Inc.	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
CA	Robert Foster	\$5,452	\$0	To purchase and install a solar renewable energy system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
CA	Robert L. Koehn	\$3,355	\$0	To purchase and install a solar renewable energy system.
CA	Sheryl B. Kunkle	\$20,000	\$0	To purchase and install a solar renewable energy system.
CO	Alpine Eye Clinic*	\$11,402	\$0	To make energy efficiency improvements to the lighting system.
CO	Del Norte Bank a Savings and Loan Association	\$4,436	\$0	To make energy efficiency improvements to the lighting system.
CO	Ecosphere Environmental Inc.*	\$19,999	\$0	To make energy efficiency improvements to the lighting system.
CO	Gary D. Rockwell*&	\$4,749	\$0	To make energy efficiency improvements to the building.
CO	Gervais and Associates, PC*	\$18,174	\$0	To make energy efficiency improvements to the lighting system.
CO	James Park*&	\$20,000	\$0	To purchase and install a hydroelectric renewable energy system.
CO	John G. Warner	\$5,640	\$0	To make energy efficiency improvements to the building.
CO	North Fork Animal Doctor Susan Raym, PC*&	\$6,989	\$0	To purchase and install a hydropower renewable energy system.
CO	Provencher Sports LLC*	\$19,999	\$0	To make energy efficiency improvements to the lighting system.
CO	Thomas Kay*&	\$17,951	\$0	To purchase and install a solar renewable energy system.
CO	West Elk Land & Hops LLC*	\$4,335	\$0	To purchase and install a solar renewable energy system.
CO	Wild West Wine and Spirits Inc*	\$12,576	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
CT	Cato Corner Farm LLC	\$3,354	\$0	To make energy efficiency improvements to the lighting and refrigeration systems.
CT	Coag Farm Inc.	\$7,216	\$0	To purchase and install a solar renewable energy system.
CT	Hamlet Hill Farm LLC	\$19,753	\$0	To purchase and install a solar renewable energy system.
CT	Lost Acres Vineyard LLC	\$7,812	\$0	To purchase and install a solar renewable energy system.
DE	Bunting & Bertrand Inc.	\$19,981	\$0	To purchase and install a solar renewable energy system.
DE	Clear Brook Farms Inc.	\$103,654	\$0	To make energy efficiency improvements to the lighting system.
DE	Green Meadow Farms LLC	\$39,359	\$0	To make energy efficiency improvements to the lighting system.
DE	Harvard Business Services Inc.	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
DE	Lawrence E. Jester	\$36,720	\$0	To purchase and install a solar renewable energy system.
DE	Richard J. McGinnis	\$106,110	\$0	To purchase and install a solar renewable energy system.
DE	Spieker & Spieker LLC	\$30,100	\$0	To purchase and install a solar renewable energy system.
DE	Triad Farms LLC	\$14,963	\$0	To make energy efficiency improvements to the lighting system.
DE	Wan Ki Yu	\$25,057	\$0	To purchase and install a solar renewable energy system.
FL	Florida Solid Foundations Inc. dba Ram J	\$11,160	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
FL	McKinley Inc.	\$13,600	\$0	To make energy efficiency improvements to the lighting system.
FL	Mountain Trail Farm LLC	\$17,076	\$0	To make energy efficiency improvements to the lighting system.
FL	Prime Global Group Inc.	\$0	\$220,300	To make energy efficiency improvements to the lighting system.
FL	Prime Global Group Inc.	\$0	\$127,879	To make energy efficiency improvements to the lighting system.
FL	Qual Life Farm & Hatchery LLC	\$13,359	\$0	To purchase and install a solar renewable energy system.
FL	Shadowood Farm Inc.	\$13,437	\$0	To purchase and install a solar renewable energy system.
FL	Vraj Vishu Inc. dba Newberry Liquor	\$4,987	\$0	To make energy efficiency improvements to the lighting system.
FL	Vrindbag Inc. dba Citrus Liquors Inc.	\$20,000	\$0	To purchase and install a solar renewable energy system.
GA	Arlo Schneider	\$11,917	\$0	To make energy efficiency improvements to the pond aeration system.
GA	Baxley Clean Green Technology LLC*	\$19,989	\$0	To make energy efficiency improvements to the lighting system.
GA	Baxley Endeavors LLC*	\$19,998	\$0	To make energy efficiency improvements to the lighting system.
GA	Brian Gilder*	\$10,220	\$0	To make energy efficiency improvements by replacing a diesel motor with an electric motor.
GA	Freedom Trailers LLC*	\$19,975	\$0	To make energy efficiency improvements to the lighting system.
GA	Hacklebarney Ice LLC	\$4,037	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
GA	Jam Products LLC*	\$9,890	\$0	To make energy efficiency improvements to the lighting system.
GA	Jerry Fortson	\$6,275	\$0	To make energy efficiency improvements to the poultry barn.
GA	Lisa Cochran	\$5,529	\$0	To make energy efficiency improvements to the poultry barn.
GA	Minish Family Farm Inc.	\$9,881	\$0	To make energy efficiency improvements to the poultry barn.
GA	Mountain Creek Enterprises	\$17,306	\$0	To make energy efficiency improvements to the lighting system.
GA	Paul Bowen	\$8,575	\$0	To make energy efficiency improvements to the poultry barn.
GA	Piglet Supermarkets Inc.*	\$19,996	\$0	To make energy efficiency improvements to the lighting system.
GA	Precision Autocraft Inc.	\$19,986	\$0	To make energy efficiency improvements to the lighting system.

NC	Strickland Farming Partnership*	\$6,530	\$0	To make energy efficiency improvements to the grain dryer.
NC	Toby L. Speaks	\$4,650	\$0	To make energy efficiency improvements to the damper control.
NC	Triple B Farms of Sampson LLC*	\$19,540	\$0	To make energy efficiency improvements to the irrigation system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
NC	Walter Brian Eason*	\$13,161	\$0	To make energy efficiency improvements to the irrigation system.
NC	Waynesville Automotive Group LLC	\$19,200	\$0	To make energy efficiency improvements to the lighting system.
NC	White Cross Solar LLC	\$0	\$2,300,000	To make energy efficiency improvements to the lighting system.
ND	Brian J. Fransen	\$20,000	\$0	To make energy efficiency improvements to the grain dryer.
ND	Forest River Farms Inc.	\$7,087	\$0	To make energy efficiency improvements to the lighting system.
ND	Hatton Granite Countertops Inc.	\$18,988	\$0	Geothermal project.
ND	Hatton Granite Countertops Inc.	\$2,250	\$0	To make energy efficiency improvements to the lighting system.
ND	Jorgenson Holding Company	\$19,138	\$0	To make energy efficiency improvements to the lighting system.
ND	Terry A. Ellingson	\$19,932	\$0	To purchase and install a geothermal renewable energy system.
ND	Travis J. Becker	\$19,799	\$0	To make energy efficiency improvements to the grain dryer.
ND	Vivatson Brothers	\$19,649	\$0	To purchase and install a new grain dryer.
NE	Bernie Hughes LLC	\$7,239	\$0	To change a motor from diesel to electricity.
NE	Blaine Rentals of Chadron	\$0	\$28,425	To make energy efficiency improvements to the HVAC system.
NE	Hansen Hog Haven Inc.	\$16,915	\$0	To make energy efficiency improvements to the lighting system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
NE	Harmony Nursery & Daylily Farm Inc.	\$17,794	\$0	To make energy efficiency improvements to the lighting system.
NE	Jade Wolfgang	\$10,651	\$0	To make energy efficiency improvements to the refridgeration, HVAC, and lighting systems.
NE	John S. Goertzen	\$20,000	\$0	To make energy efficiency improvements to the grain dryer.
NE	Keith Barlow	\$4,049	\$0	To make energy efficiency improvements to the irrigation system.
NE	KLD Inc.	\$9,030	\$0	To replace a grain dryer.
NE	Lorie Lea Hamaker	\$3,257	\$0	To purchase and install a solar renewable energy system.
NE	Lyle Erhardt	\$4,631	\$0	To change a motor from diesel to electricity.
NE	Merlyn Bender	\$8,209	\$0	To install a waste heat recovery system.
NE	Olson Industries Inc.	\$7,460	\$0	To make energy efficiency improvements to the lighting system.
NE	Osler Heritage LLC	\$10,114	\$0	To install an electric motor and pump.
NE	Paul Gregory Bartak	\$10,943	\$0	To change a motor from diesel to electricity.
NE	Pitstop & Shop Inc.	\$3,884	\$0	To make energy efficiency improvements to the lighting system.
NE	Reps Fitness LLC	\$4,676	\$0	To replace windows, lighting and the front door.
NE	Rocking Diamond A. Ranch LLC	\$3,115	\$0	To make energy efficiency improvements by replacing a diesel motor with an electric motor.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
NE	Schindler Grain & Livestock LLC	\$6,726	\$0	To make energy efficiency improvements by replacing a diesel motor with an electric motor.
NE	Sharon V. Wilkinson	\$6,150	\$0	To make energy efficiency improvements by replacing a diesel motor with an electric motor.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
TX	Ventamatic Ltd.	\$19,999	\$0	To purchase and install a solar renewable energy system.
TX	Yellow Star Power Company Ltd.	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
UT	Bear River Medical Arts	\$14,191	\$0	To purchase and install a solar renewable energy system.
UT	Canyon Nest LLC	\$6,959	\$0	To purchase and install a solar renewable energy system.
UT	Fernwood LLC	\$19,355	\$0	To purchase and install a solar renewable energy system.
UT	Horseshoe Mountain Lodge LLC	\$19,308	\$0	To purchase and install a solar renewable energy system.
UT	John R. Chisholm, DDS	\$17,490	\$0	To purchase and install a solar renewable energy system.
UT	Miners Trading Post LC	\$2,997	\$0	To purchase and install a solar renewable energy system.
UT	Morgan Carter Farms	\$20,000	\$0	To purchase and install a solar renewable energy system.
UT	Park City Lodging Inc.	\$8,823	\$0	To purchase and install a solar renewable energy system.
UT	Reed Inc.*	\$11,328	\$0	To make energy efficiency improvements to the lighting system.
VA	Afton Mountain Bed & Breakfast	\$6,670	\$0	To make energy efficiency improvements to the lighting system.
VA	Associated Grain Inc.*	\$19,999	\$0	To make energy efficiency improvements to the grain dryer.
VA	Beechgrove Properties LLC*	\$11,500	\$0	To purchase and install a solar renewable energy system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
VA	Broadfork Farm LLC	\$8,660	\$0	To purchase and install a solar renewable energy system.
VA	Challenges Inc.*	\$16,670	\$0	To make energy efficiency improvements to the lighting system.
VA	Daniel R. Myers*	\$49,999	\$0	To make energy efficiency improvements to the poultry barn.
VA	Ducard Vineyards Inc.	\$4,647	\$0	To make energy efficiency improvements to the lighting system.
VA	E2C Solar LLC*	\$500,000	\$0	To make energy efficiency improvements to the lighting system.
VA	Alexis Chandler Huling	\$39,363	\$0	To make energy efficiency improvements to the lighting system.
VA	Knights Gambit Vineyards	\$17,148	\$0	To make energy efficiency improvements to the lighting system.
VA	Lazy River Farms	\$19,959	\$0	To make energy efficiency improvements to the lighting system.
VA	Martin Horn Inc.	\$5,651	\$0	To make energy efficiency improvements to the lighting system.
VA	Sallie S. Hyman	\$15,895	\$0	To purchase and install a solar renewable energy system.
VA	Seven Bends Veterinary Hospital	\$11,375	\$0	To purchase and install a solar renewable energy system.
VA	Seven Bends Veterinary Hospital	\$9,363	\$0	To make energy efficiency improvements to the lighting and HVAC systems.
VA	Shenandoah Fiber Company LLC	\$11,200	\$0	To purchase and install a solar renewable energy system.
VA	The Stables at Six Penny Farm LLC	\$19,223	\$0	To purchase and install a solar renewable energy system.

Rural Energy for America Program (REAP)

This program provides guaranteed loan financing and grant funding to agricultural producers and rural small businesses to purchase or install renewable energy systems or make energy efficiency improvements.

State	Recipient	Grant	Loan	Project Description
VA	Vistashare Holdings LLC	\$20,000	\$0	To make energy efficiency improvements to the lighting system.
